Cheeran Consultancy is a symbol of a wonderful combination of skills, expertise and professionalism of dedicated staff under one roof who can contribute their strengths in various spheres of business activities.

Middle East & Asia Experience

Our consultants have a proven experience in executing different projects in organisations in the Middle East and Asian countries.

Accounting Services

Today, accounting outsourcing services are recognized as an effective management tool. Companies often incorporate outsourcing as a strategy in business planning. Your organization can provide better client service, produce a better product, do the job better - and do it in a more cost efficient way - by outsourcing your non-core business functions. We carry out a wide range of accounting support services, ranging from simple payroll preparation to comprehensive data entry and preparation of management accounts.

- Accounting
- Data entry
- Payroll – compute and prepare checks
- Prepare bank reconciliation
- Generate trial balance and financial statements
- Assistance in finalization
- Setting up accounting documentation and system procedures
- Customized MIS reports
- Analysis and review of quarterly financial results
- Backlog Clearing Services
- Short term / Long term deputation

Taxation (VAT/ GST/ Income Tax)

Our modern service provides clients with a high quality compliance service in all aspects of local taxation. We provide advisory services with regard to applicability of the tax and procedural compliance like registration, filing of tax returns, assessments etc.

- Preparation and filing of VAT/ GST, Income Tax Returns
- Assessment assistance in handling notices and meeting compliances
- Liaising with the tax department
- We have a highly intuitive software that makes e-filing easy
- Need based Advance Tax planning service (Capital Gain) & Investment Planning
- Income Tax Return Services for NRI Individuals

Financial Consultancy
